

IS PUSHING WEST.

Gen. Thomas, of the Manitoba, Says
That Road Will Build to the
Sound Right Away.

Making for Spokane Now, It Will Be
Rushed to the Coast With
All Speed.

Urged to Agitate for a Subsidy for a Steam-
ship Line to Asia to Meet Canadian
Competition.

General Thomas, of the Manitoba, is on
a visit to the Sound country. The Tacoma
Globe has interviewed him and the follow-
ing is the result:

"We are here on a pleasure trip and to
see some of these Sound ports," said the
general. "You keep up such a beating of
tom-toms out here, that we cannot be satis-
fied until we come out and see what you
have. I have never been west before—no
this far. We speak of 'out west' when
we refer to Duluth and Minneapolis."

"I have been so much interested in south-
ern roads for the last ten years that I have
paid little attention to this part of the
world, but since I have become interested
in the South Shore and the Manitoba I
wanted to come out here and see where the
road was going to before taking too much
interest in it."

"Will the Manitoba come to Tacoma in
the near future?"

"Well, it will come through to the Sound
at some point, and be a great while.
The work will be pushed ahead now. Mr.
Hill is drawing toward Spokane, and will
come to the Sound as fast as the work can
be done. There will be one great city here
that will be 'the' town, and I don't know
which one that is to be. I have heard a
great deal about Seattle and Fairhaven and
Townsend. They will all, I suppose, make
good towns, but there is one of them
that will be 'the city,' and all the
others will be tributary. Wherever
that point is the railroad will all center.
This is a wonderfully rich country here.
Your timber alone will yield an immense
revenue for a number of years, and then
your coal and iron and other mines will
take its place. There has been almost as
much growth in the iron and coal regions
of Tennessee, Georgia and Alabama as
here in these western towns, largely due
to northern energy and northern capital.
Your town is the cleanest, busiest, most
go-ahead town I have ever seen, and I
like the looks of it very much. You want
to go ahead here and get a steamship line
to Asia. We will work with you. We
are as anxious as you to get this through."

"We are handicapped now by these
Canadian roads with their subsidized
steamships, which are paid for by the gov-
ernment, and all their losses paid by the
government, until they are on a paying
basis. You will be a state soon and have
a representative in Congress. You must
be the time to make a strong effort to get
the line. We, on the Atlantic, are as
anxious as you are here on the Pacific, to
see this line started."

"You can't always tell just where the
great city will be," said he. "I built a
railroad through to Michigan City, at the
head of lake Michigan, when it looked as
though that was to be the great city, when
Chicago was unheard of. Now the sand
dunes drift over Michigan City at their
own sweet will. So of Huron, Ohio. The
time was when that was a greater place
than Cleveland, when Maumee was a
city and Toledo not even a stopping place
for the shipping that went sailing by.
You know what Huron is now. There
will be a good many Hurons on the Sound.
There will also be a good many little
towns, but only one great city, that will be
known all over the world."

"When do you think the Manitoba will
come into sight on this side of the Cas-
cades, will it be next summer?"

"I can't say. It may be sooner than
that. We are going to push through to
the water now, without delay."

General Thomas was well known in
railroad building circles between Chicago
and the Ohio river thirty years ago, and
for the past ten years has been engaged in
various railroad enterprises in the South,
which have proved wonderfully profitable
to that region of country. He is president
of the East Tennessee, Virginia & Georgia
railroad and the Richmond Terminal com-
pany, and an officer or director in numer-
ous other enterprises.

An eminent physician says: A healthy
liver secretes from two to three pounds of
bile every twenty-four hours, and disposes
of this secretion where it will do the most
good. Now if the liver is out of order the
whole system is in trouble, the spirits are
depressed, the mind is not clear, and a per-
son whose liver is not performing its duty
is very soon unfitted for regular business.
Dr. Henley's Dandelion Tonic rouses the
torpid liver and enables it to perform its
proper functions, thereby regulating the
whole system. Sold by R. S. Hale & Co.,
wholesale and retail agents Helena, Mont.

Dutard's Specific is an absolute cure for
all eruptive diseases of the skin, such as
salt rheum, barbers' itch, ring worm, scald
head and all itching or inflamed condi-
tions of the skin, whether arising from
disease or exposure. It is guaranteed
in every case. Sold by R. S. Hale & Co.,
wholesale and retail agents Helena, Mont.

Be Merciful to Yourself.

And heed the appeals for assistance put
forth by your liver, when the organ is out
of order. Among these are distress in the
right side and through the right shoulder
blade, yellowness of the skin and eyeballs,
furred tongue, sour breath, sick headache,
above all, irregularity of the bowels. The
mercy you extend to the afflicted organ is
wisely shown by a prompt course of medi-
cation with Hostetter's Stomach Bitters,
most genial of alteratives, and the hepatic
gland early reciprocates the deserved at-
tention by resuming its secretory functions
actively and regularly. Among the ac-
companying good results are renewed dig-
gestion, freedom from headaches and a re-
sumption of activity of the bowels. All
bilious symptoms disappear, and appetite
and sleep improve. Beneficial are the ef-
fects of the Bitters in malarial disease,
kidney disorder, rheumatic ailments and
nervousness.

Merit Wins.

We desire to say to our citizens, that for
years we have been selling Dr. King's New
Discovery for Consumption, Dr. King's
New Life Pills, Bucklen's Arnica Salve

have given such universal satisfaction.
We do not hesitate to guarantee them
every time, and we stand ready to refund
the purchase price, should they result
not follow their use. These remedies
have won their great popularity purely on
their merits. R. S. Hale & Co., druggists.
